

ABC Books

Our personalized, heirloom quality, ABC Book package is \$1000 plus tax. We require a non-refundable deposit of one half of the total on the day of the first photography session. The balance is due on the day of the preview session. Many hours of planning, photographing and designing go into these books. No photography will be done without the required deposit, nor will a book be ordered without full payment.

Each package includes:

- A consultation appointment – this is required. Together, we decide what each letter will be and pre-plan our photography sessions. This way when you come in for the photography, we'll have everything laid out and ready to go. You'll know what personal items to bring and what clothing will be appropriate for each page of the book.
- Two hours of photography – for children, we can split this into two one hour sessions to prevent them getting tired and quitting on us.
- One 5x5 hard cover, fully customized, heirloom quality book
- Two 5x5 spiral bound albums. These books are so darn cute; we know Grandparents will want a copy too. The spiral bound album will contain 5x5 photographs of each page in the hard cover book.
- One framed 10x20 composite of 3 images from the session. We recommend using your child's initials, but that's totally up to you.
- One musical slideshow of the book is also included.
- A preview session- you choose your images for the 10x20 composite at this time, and we'll show you the completed book to approve before we order it. The books typically take about 2-3 weeks to arrive once they're ordered.
- Gift sized prints may be purchased at \$15 each. Wall portraits may be purchased at 25% off ala carte.
- We will create a book with more than one child. There is no additional fee for up to two children. However, each child will require a separate appointment, so if more than two children will be in the book, there will be a \$50 session fee for each additional child. This fee is to cover the photography session and is due during the consultation.
- Additional, identical copies of the book may be purchased for \$500 plus tax. We will change individual pages on extra books for a fee of \$25 per page. (For instance: Grandparents are doing a book for each of their grandchildren. They may want D to be for Dolls on the girl books, and D to be for Dog on the boy books. The design fee for the additional page would be a onetime fee of \$25. So any identical copies would be \$500 plus tax each. A copy with one changed page would be \$525 plus tax. A copy with 2 changed pages would be \$550 plus tax.)
